

MATERIALS ANALYSIS

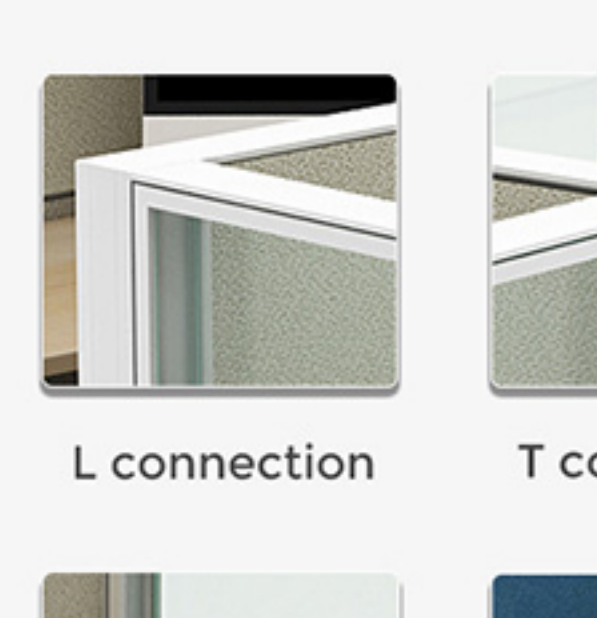

Aluminium bar

A pole

Square pole

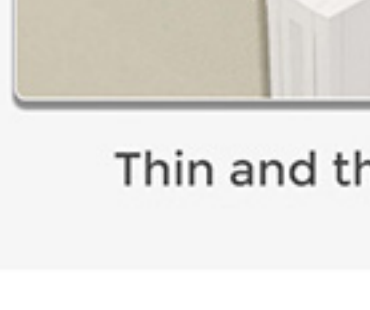

Cable bar

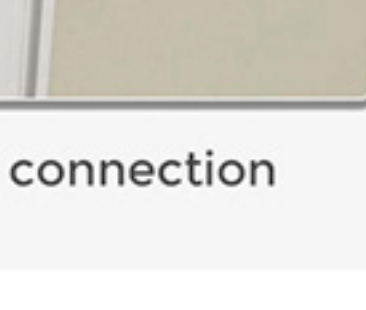

PRODUCT ADVANTAGES

01 FITS ANY SPACE

Multiple configuration

L connection

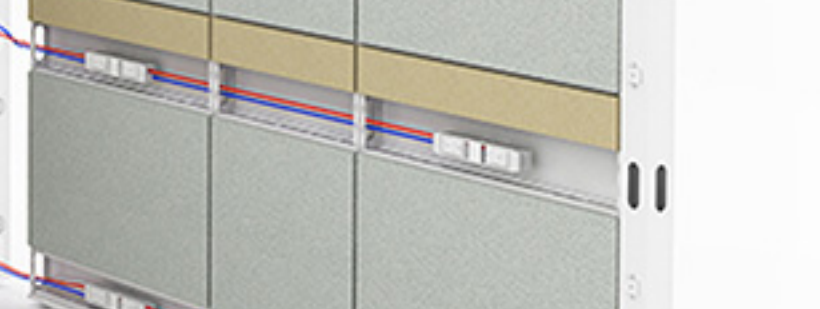

T connection

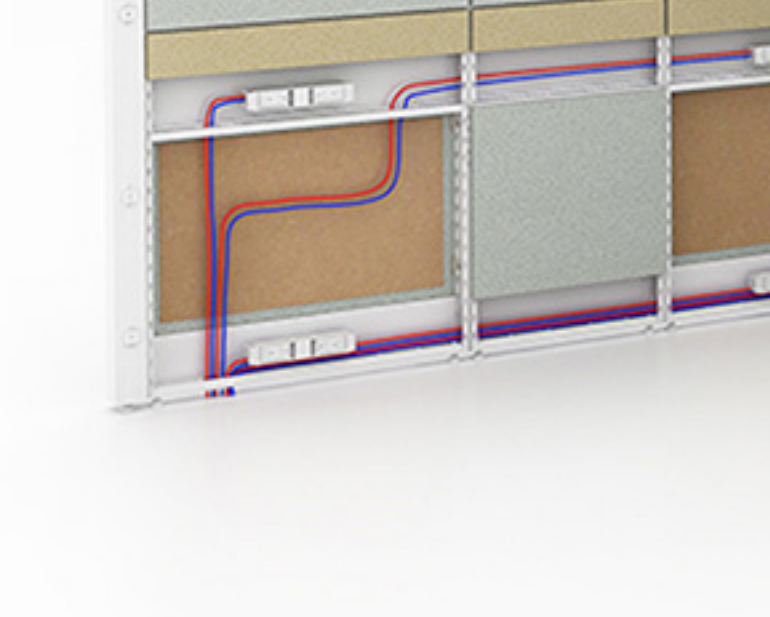

X connection

120° cap

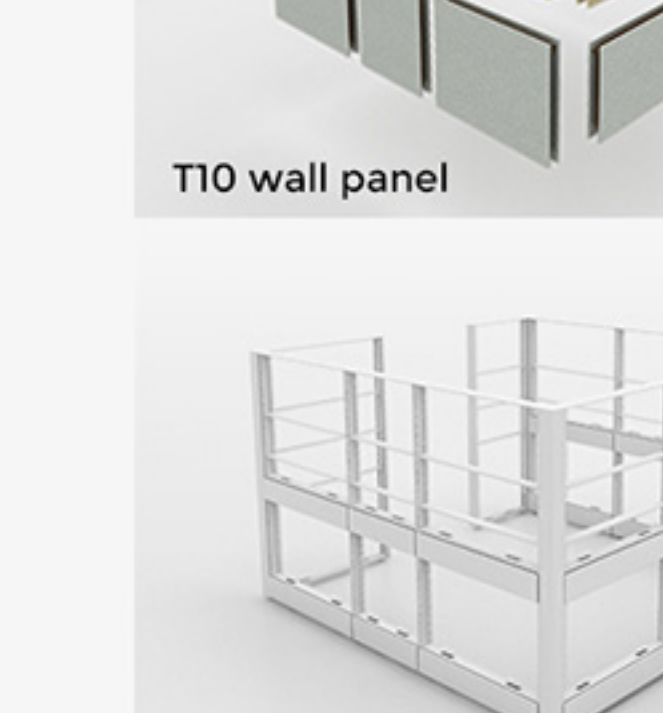

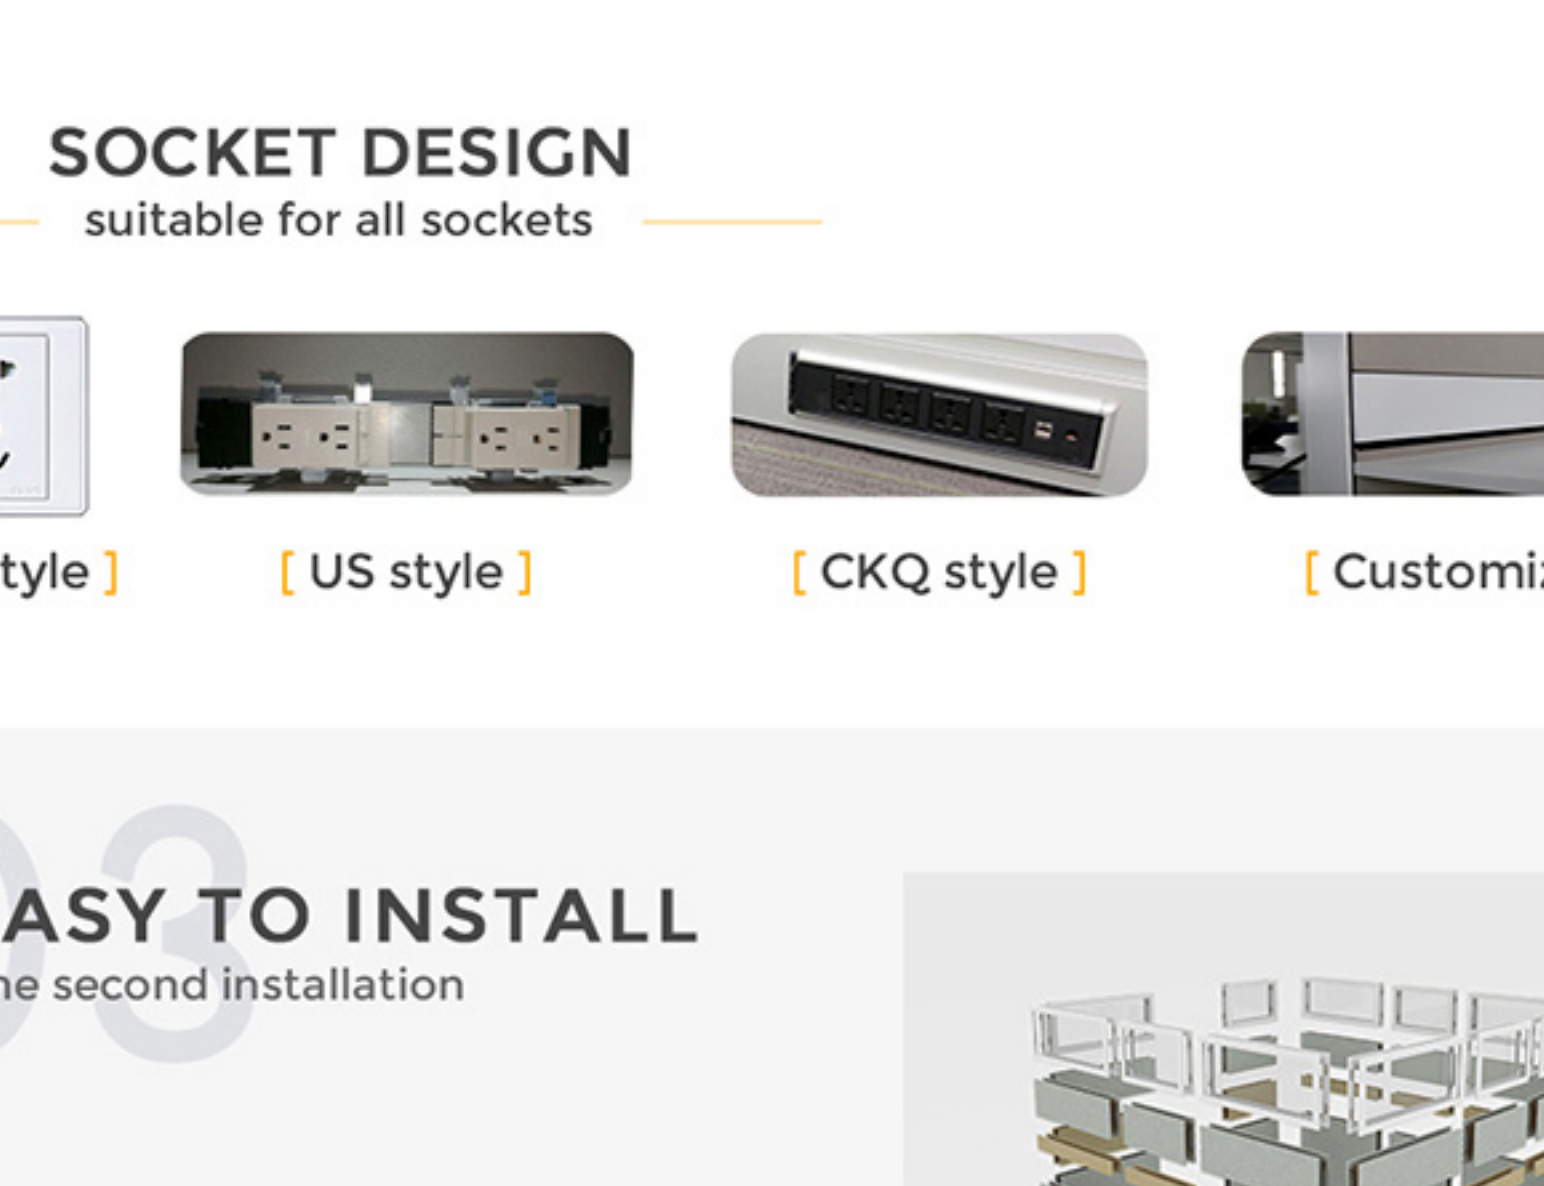

Thin and thick connection

02 LINE DESIGN

Comprehensive cable management

SOCKET DESIGN

suitable for all sockets

[8*6 style]

[US style]

[CKQ style]

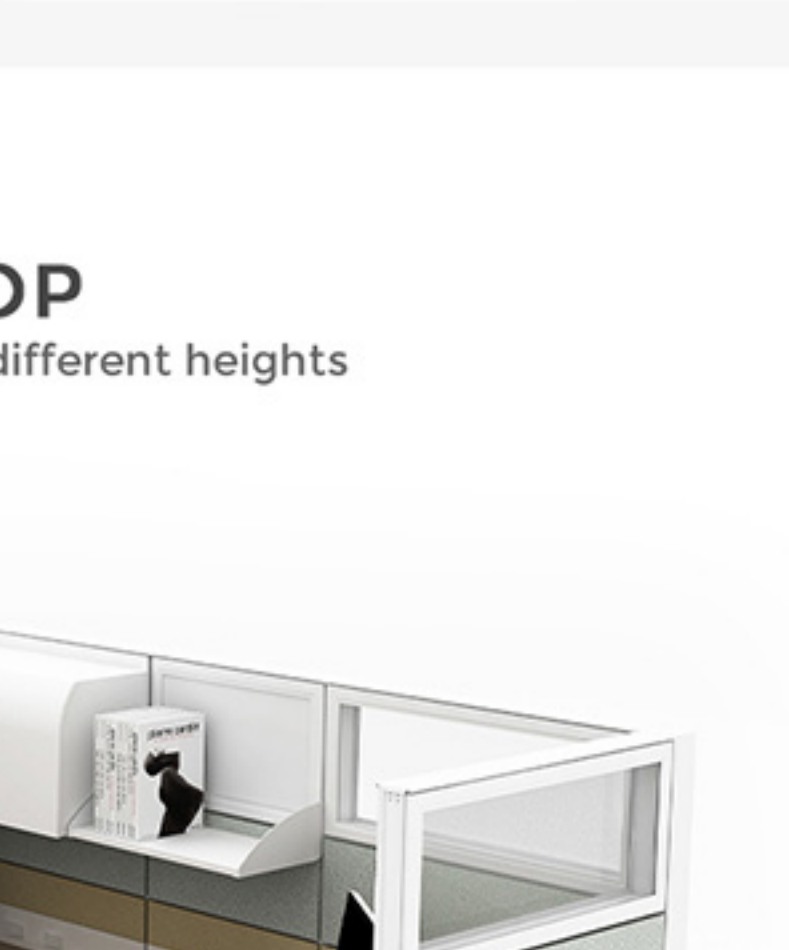

[Customized]

03 EASY TO INSTALL

One second installation

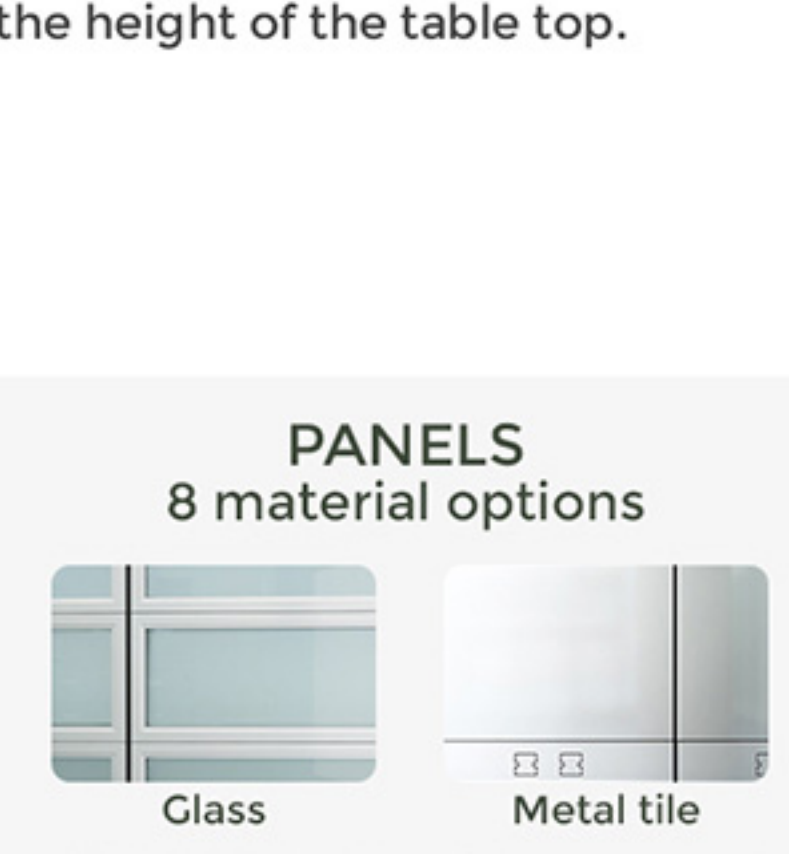

Easy Hang On Installation

T10 wall panel

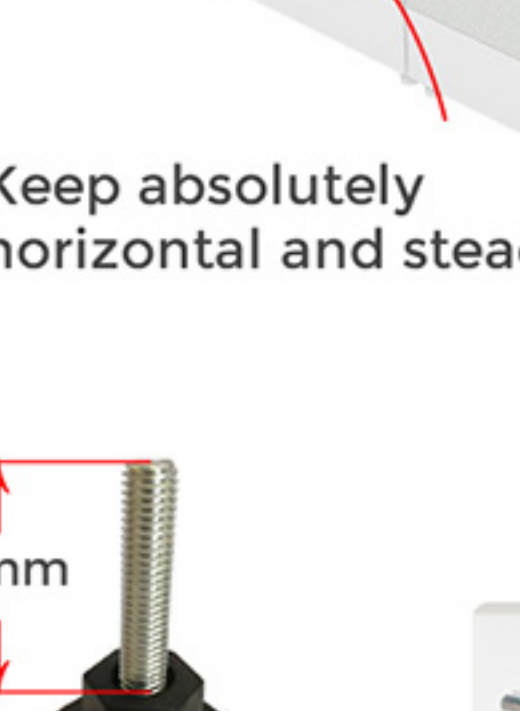

T10 frame

Finished product

04 ADJUSTABLE TABLETOP

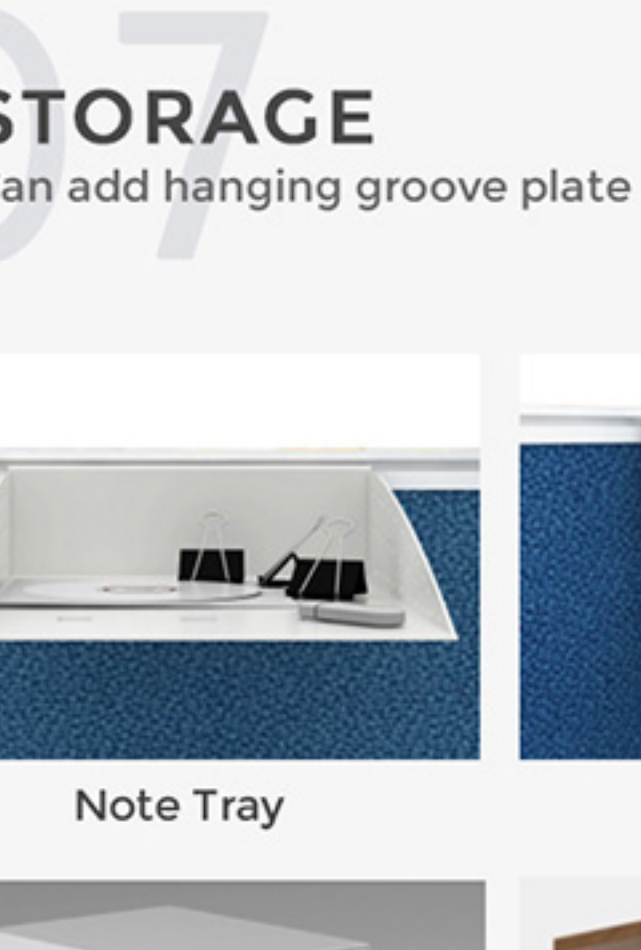

Table height can be adjusted according to different heights

Adjust the bracket to change the height of the table top.

05 PANELS PRACTICE

Material options

Sound-Absorbing

PANELS

8 material options

Glass

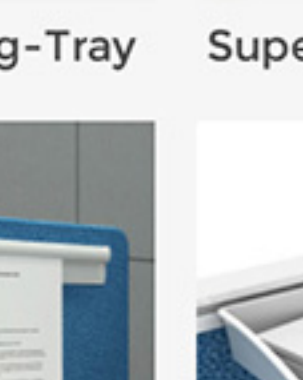

Metal tile

Whiteboard

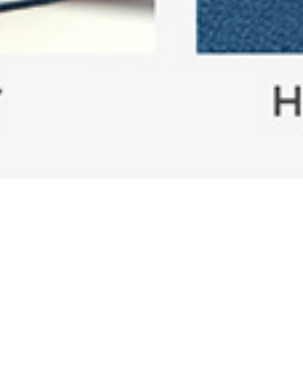

Air flow tile

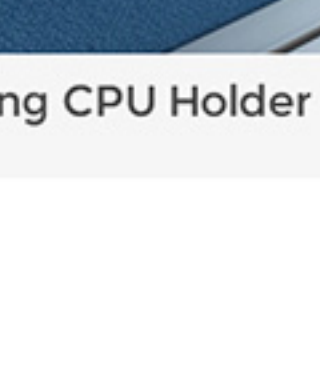

Fabric

Acoustic board

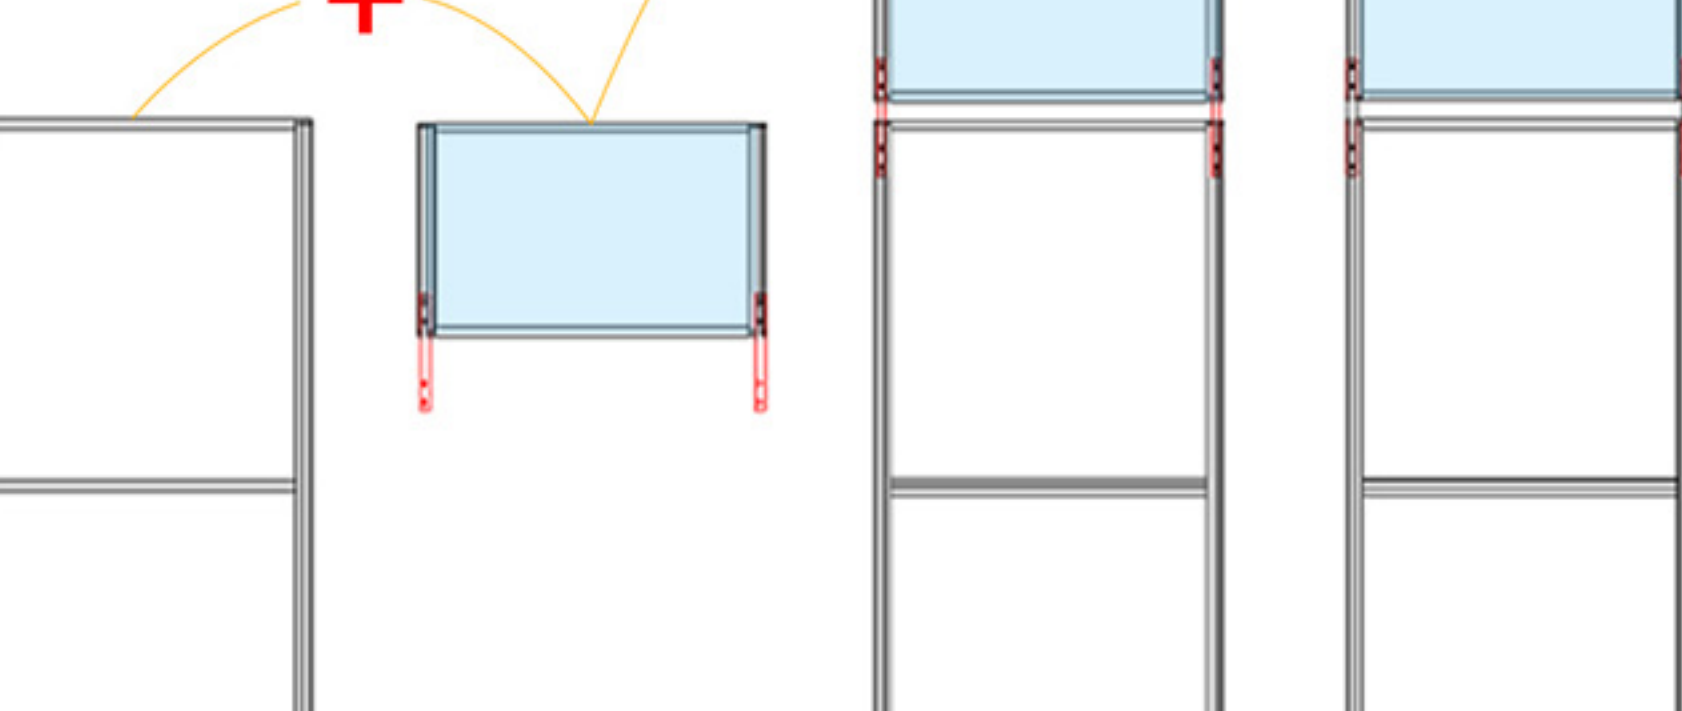

MFC tile

Accessories

06 ADJUSTABLE LEG

Absolute smooth

Keep absolutely horizontal and steady

Height adjustable

Anti-slip rubber

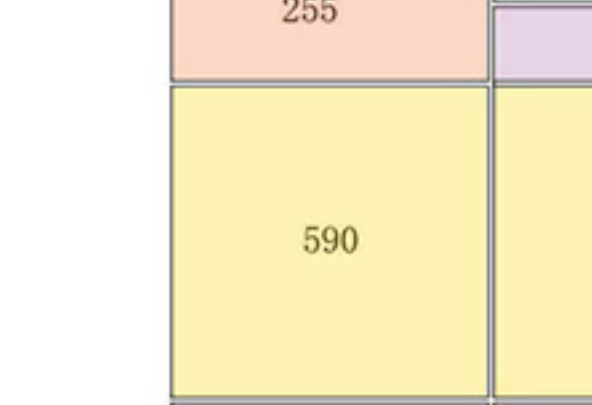

Adjustment-1

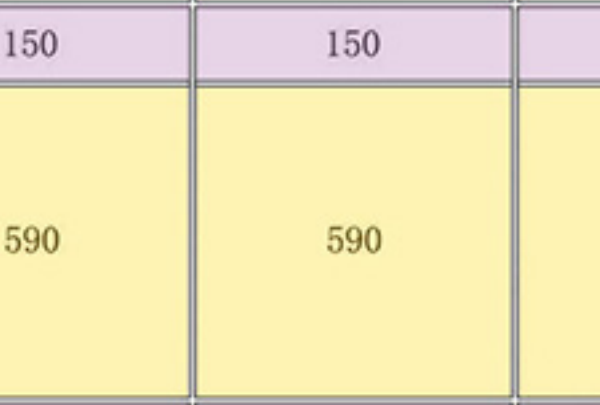

Adjustment-2

07 STORAGE

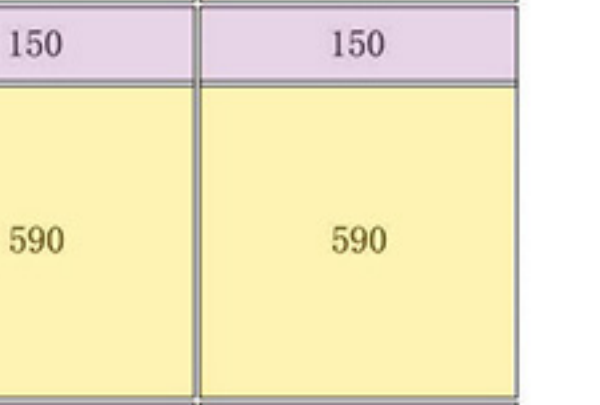

Can add hanging groove plate and pendant

Note Tray

Telephone Tray

Document Tray

Thin Edge Pedestal

Multifunctional Hang-Tray

Superimposed Doc Trays 2

Pencil Hang-Tray

Paper Keeper

Hanging CPU Holder

08 SPECIFICATION & COMBINATION

Convenient for stock and design change

T10 tiles instruction
